# **Town Warrant The State of New Hampshire**

*The Polls Will Be Open From 10:00 a.m. to 6:00 p.m.*

To the inhabitants of the Town of Tuftonboro in the County of Carroll in said state, qualified to vote in Town Affairs:

You are hereby notified to meet at the Tuftonboro Town House in said Tuftonboro on Tuesday, the Eighth day of March, next, at 10:00 o'clock in the forenoon to act upon the following subjects:

*Articles 1, 2 and 3 will be voted on by Ballot on March 8.*

You are hereby notified to meet at the Tuftonboro Central School in said Tuftonboro on Wednesday the Ninth day of March, next, at 7:30 p.m. to act on the remaining articles on the Warrant.

1. To choose all necessary Town Officers for the ensuing year.

2. Are you in favor of the adoption of the Amended Zoning Ordinance as proposed by the Planning Board for the Town of Tuftonboro? An affirmative vote on this article will have the effect of rescinding the existing Zoning Ordinance.

Yes\_\_\_\_\_No\_\_\_\_\_

3. Shall we, the Town of Tuftonboro, adopt the provisions of RSA 80:58-86 for a real estate tax lien procedure? These statutes provide that tax sales to private individuals for non-payment of property taxes on real estate are replaced with a real estate tax lien procedure under which only a municipality or a county where the property is located or the state may acquire a tax lien against land and buildings for unpaid taxes. This article on the Warrant by petition.

Yes\_\_\_\_\_No\_\_\_\_\_

4. To see if the Town will vote to adopt the provisions of RSA 76:15-a providing for the semi-annual collection of taxes, with partial payment of taxes assessed April 1 and billed before June 1, due and payable on July 1 and payment of the remainder, minus the payment due on July 1 of that year, due and payable on December 1.

5. To see if the Town will vote to raise and appropriate the sum of Twelve Thousand Dollars (\$12,000.00) for interest charges, as approved by the Budget Committee, and authorize the Selectmen to borrow money in anticipation of taxes for the current year and issue notes therefor, said notes to be repaid from taxes.

6. Shall the Town of Tuftonboro vote to adopt the provisions of RSA 31:105; to indemnify and save harmless for loss or damage any person employed by it and any member or officer of its governing boards, administrative staff or agencies including but not limited to Selectmen, planning and zoning boards, and school board members, from personal financial loss and expense including reasonable legal fees and costs, if any, arising out of any claim, demand, suit or judgment by reason of negligence or other act resulting in accidental injury to a person or accidental damage to or destruction of property if the indemnified person at the time of the accident resulting in the injury, damage or destruction was acting in the scope of his employment or office.

7. To see if the Town will vote to raise and appropriate the sum of Twenty-two Thousand Five Hundred Dollars (\$22,500.00) to build a parking lot on Town-owned land on Route 109 at Nineteen Mile Bay. *(This article has the recommendation of the Budget Committee.)*

8. To see if the Town will vote to adopt as an ordinance:

#### Ordinance

Article 1. There shall be no overnight parking at Union Wharf.

Article 2. There shall be no parking on either side of Union Wharf Road.

Any person violating this ordinance shall be:

1. Issued a warning for first violation.

2. Fined not more than \$25.00 for the second violation.

3. Fined not more than \$100.00 for subsequent violations.

9. To see if the Town will vote to adopt an ordinance restricting docking of commercial barges to one Town Wharf, Union Wharf, and during daylight hours only, as follows:

"There shall be no docking of commercial barges at Town Wharfs in the town of Tuftonboro, other than at Union Wharf during daylight hours. Overnight docking of commercial barges at Town Wharf is prohibited."

10. To see if the Town will vote to ratify the action taken by the Selectmen in filing in the Carroll County Superior Court a Petition to Rescind Purchase and Sale Agreement between the Town and Pak 2000 (OCOR Products) regarding the proposed sale of an approximate five (5)-acre parcel of land abutting Pak 2000 as approved by vote of the Town at the 1982 Town Meeting.

11. To see if the Town will vote to authorize the Conservation Commission to retain the unexpended portion of its 1988 appropriation; such funds to be placed in a Special Conservation Fund in accordance with RSA 36A-5.

12. To see if the Town will vote to raise and appropriate the sum of Three Thousand Dollars (\$3,000.00) to be used for the Police Cruiser Fund; said sum to be placed in a Certificate of Deposit. *(This article has the recommendation of the Budget Committee.)*

13. To see if the Town will vote to establish a Fire Truck Fund and to raise and appropriate the sum of Twenty Thousand dollars (\$20,000.00) to be placed in a Certificate of Deposit. *(This article has the recommendation of the Budget Committee.)*

14. To see if the Town will vote to appropriate and authorize the withdrawal from the Federal Revenue Sharing Fund the sum of Eight Hundred Ninety-seven Dollars (\$897.00), plus whatever interest that has accrued since January 1st, to use as a set-off against the Budget Appropriation for the Piper House Renovations. *(This article has the recommendation of the Budget Committee.)*

15. To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000.00) for the necessary repairs to the Melvin Wharf. *(This article has the recommendation of the Budget Committee.)*

16. To see if the Town will vote to raise and appropriate the sum of Thirty-five Thousand Dollars (\$35,000.00) to allow the Selectmen to negotiate for the Hydrogeological study of the Town Landfill as mandated by the Department of Environmental services, Waste Management Division; by Administrative Order WMD 87-134, September 14, 1987. *(This article has the recommendation of the Budget Committee.)*

17. To see if the Town will authorize the Selectmen to accept private dona-

tions of land, interest in land or money to be deposited into the Conservation Fund for the purposes of contributing to the local matching portion required for acquiring conservation land or interest in land and other costs associated therewith for permanent conservation use under the N.H. Land Conservation Investment Program (LCIP) RSA 221-A, and authorize the Selectmen to apply for and accept the state matching funds under the LCIP for the purposes of acquisition of the fee or lesser interest in conservation land. Said appropriated or doanted funds and state matching funds may be expended by majority vote of the Conservation Commission. *By petition.*

18. To see if the Town will vote to elect a board of two (2) Auditors by ballot and to further establish varying terms of office. The town Meeting of 1989 will elect one (1) Auditor for two (2) years and one (1) Auditor for one (1) year.

19. To see if the Town will vote to raise and appropriate such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriation of the same, the sum of Six Hundred Two Thousand Nine Hundred Ninety-nine Dollars and no/100 (\$602,999.00)

*as recommended by the Budget committee and such sums as may be required to cover the costs fo any additional items voted at the meeting and in accordance with RSA 32:8.*

20. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 22 day of February, 1988, in the year of our Lord Nineteen Hundred and Eighty-eight.

**Article 5.** To see if the Town will vote, pursuant to RSA 674:1,IV, to authorize Planning Board Members to enter upon any land within the Town to make such examinations or surveys as are reasonably necessary to carry out the Statutory responsibilities of the Board, to reasonably evaluate applications before the Board, and to place and maintain any necessary monuments and marks consistent with Planning Board functions and responsibilities. Adoption of this Article recommended by the Planning Board.

Motion was made by Ray Hurt and seconded Clint Morgan to adopt article 5 as read. Vote by show of hands in the affirmative and article declared passed by the Moderator.

**Article 6.** To see is the Town will vote to authorize the Board of Selectmen to arrange for the necessary funding of the Code Enforcement Officer Salary in the event that Article Three (3) is adopted by the Town. The amount being estimated at Ten Thousand Dollars (\$10,000.00).

Motion was made by Richard Lester and seconded by Ken Craigue to adopt article 6 as read. Only question was whether salary figure was enough. Selectmen advised that this was to be a part-time position; and the amount would cover the balance of the year. Vote by show of hands in the affirmative and article declared passed by the Moderator.

**Article 7.** To see if the Town will vote to affirm, alter or annul the following ordinance enacted by the Selectmen on July 21, 1986.

## **ORDINANCE**

**Article 1.** There shall be no overnight docking of any boat, barge, or vessel at any Town-owned dock/wharf.

**Article II.** Boats, barges, or any other vessel may be docked at any Town-owned dock/wharf for a period of time not to exceed four (4) hours between 6:00 A.M. and 11:00 P.M.

Any person violating this ordinance shall be:

1. Issued a warning for the first violation.
2. Fined not more than twenty-five dollars (\$25.00) for the second violation
3. Fined not more than one hundred dollars (\$100.00) for subsequent violations.

Motion was made by Ralph Kirschner and seconded by Thad Coleman to adopt article 7 as read. Vote by show of hands in the affirmative and article declared passed by the Moderator.

**Article 8.** To see if the Town will vote to authorize the Selectmen to grant a twenty-five by twenty-five foot (25'x25') easement on land owned by the Town of Tuftonboro Neck Road to the New England Telephone Company. This is for the purpose of placing a terminal cabinet which will allow the company to insure the future availability of quality telephone service in that area. The New England

Telephone Company has agreed to pay the Town One Thousand Dollars (\$1,000.00) if the easement is granted.

Motion was made by Dan Lewis and seconded by Susan Weeks to adopt article 8 as read. Vote by show of hands in the affirmative and article declared passed by the Moderator.

**Article 9.** To see if the Town will vote to authorize the Selectmen to negotiate with the Hersey family heirs for the purpose of bringing about an exchange of property on Lang Pond Road between property presently owned by the Herseys and property in which the Town has an interest, in order to create a more useful beach and parking area, and to execute all documents necessary to effect the transfer.

Motion made by Susan Weeks and seconded by Elizabeth Coleman to adopt article 9 as read. Selectmen Vittum explained the exchange of properties - two small beach areas will be exchanged for one larger area. Vote by show of hands in the affirmative and article declared passed by the Moderator.

**Article 10.** To see if the Town will vote to authorize the Selectmen to investigate the feasibility of bringing cable TV to the Town of Tuftonboro and to authorize the Selectmen to grant, renew, amend or rescind franchises for the installation and operation of cable television systems in accordance with the provisions of RSA 53-C and to otherwise become a franchising authority within the meaning of said chapter. This article submitted to the Selectmen by petition.

Motion made by Woody Allen and seconded by Richard Lester to adopt article 10 as read. Vote by show of hands in the affirmative and article declared passed by the Moderator.

**Article 11.** To see if the Town will vote to rebuild a section of the Wawbeek Road, from the garage area to the beach area, a distance of approximately five hundred and fifty feet (550'), for an estimated cost of Fourteen Thousand Five Hundred Dollars (\$14,500), which includes widening, subsurface preparation, drains where needed and a paved-finish surface. The road is not wide enough for emergency vehicles to pass. This article placed on the Warrant by petition and is not recommended by the Board of Selectmen nor approved by a majority of the Budget Committee.

Motion was made by Chet Fernald and seconded by Clint Morgan to adopt article 11 as read. Petitioner Chet Fernald presented his facts about need for road to be improved.

Selectman Vittum explained that the Selectmen and the Road Agent have a long range plan to improve all town roads; work is being done on Ledge Hill Road, Durgin Road, and Windleblo Road this year -- this road will be improved at a later time. Vote by show of hands in the negative and article declared defeated by the Moderator.

**Article 12.** To see if the Town will vote to widen, remove stumps, replace culverts, gravel and tar Cross Neck Road on Tuftonboro Neck and further to raise and appropriate Fifteen Thousand Dollars (\$15,000.00) for this purpose. This article placed on the Warrant by petition and is not recommended by the Board of Selectmen nor approved by a majority of the Budget Committee.

Richard Lester made the motion that action on article 12 be indefinitely postponed. Seconded. Vote by show of hands to indefinitely postpone any action on article 12 and so declared by the Moderator.

**Article 13.** To see if the Town will vote to raise and appropriate the sum of Twenty Thousand Dollars (\$20,000.00) for an ice rink building/roof to be built at Abenaki Recreational Area in Wolfeboro. Said funds to be placed in an escrow account until the Town of Wolfeboro and/or Back Bay Hockey Association, Inc. request said funds for payment of ice rink building/roof construction. This article placed on the Warrant by petition and is not recommended by a majority of the Budget Committee.

Motion made by Mary Antonucci and seconded by Lindell Greenwood to adopt article 13 as read. Mary Antonucci, representing Abenaki Ice Recreation Committee presented facts for passage of article. By deeded rights Tuftonboro residents have the right to use Abenaki Ski Area. This will be an ice skating rink not a hockey arena. Wolfeboro has voted to maintain the building. One out of five persons using Abenaki facilities are from Tuftonboro; only fair that the town should support the facility. The funds will go into an escrow account as the association is not ready to build yet. Vote by show of hands in the affirmative and article declared passed by the Moderator.

**Article 14.** To see if the Town will vote to accept as a Town Road the roads presently under the jurisdiction of the Col. Tufton Borough Estates Association, as follows: Senter Cove Road from Route 109 to the intersection of Mason Road and the old Senter Cove Road (but excluding this unpaved section of Senter Cove Road), Mason Road to the northwesterly boundary line of George Hayden's property, and Vere Royce Road from Mason Road circling back to Senter Cove Road. This article on the Warrant by petition and does not have the approval of the Board of Selectmen.

Motion made by Barbara Hull and seconded by Helen Whall to adopt article 14 as read. Barbara Hull presented brief history of development. Selectmen do not recommend as roads do not meet specification as stated in the Town Sub-division Regulations. Ralph Kirshner recommended that they should apply for a Betterment Assessment and then apply for Town acceptance. Bill Rollins made the motion to move the question. Seconded by Ken Craigue. Vote by show of hands to move the question and allow no further discussion. Voted in affirmative declared by the Moderator. Vote on article 14 by show of hands was in the negative and article was declared defeated by the Moderator.

**Article 15.** To see if the Town will vote to raise and appropriate the sum of Three Thousand Dollars (\$3,000.00) for the Police Cruiser Capital Reserve Fund and authorize the withdrawal of this sum for the purpose from the Federal Revenue Sharing Fund. This article has the approval of the Budget Committee.

Motion made by Bill Rollins and seconded by Thad Coleman to adopt article 15 as read. Vote by show of hands in the affirmative and article declared passed by the Moderator.

**Article 16.** To see if the Town will vote to appropriate and authorize the withdrawal from the Federal Revenue Sharing Fund the sum of Fifteen Thousand Five Hundred Dollars (\$15,500.00) as a setoff against the budget appropriation of One Hundred Sixteen Thousand Four Hundred Forty Dollars (\$116,440.00) for the new Fire Truck. This article has the approval of the Budget Committee.

Motion was made by Bill Rollins and seconded by Richard Lester to adopt article 16 as read. Vote by show of hands in the affirmative and article declared passed by the Moderator.

**Article 17.** To see if the Town will vote to authorize the Library Trustees to establish and manage a building fund, utilizing various unrestricted gifts and bequests over the past sixteen (16) years. Both capital and interest from said fund will be used for capital improvements.

Motion was made by Chet Fernald and seconded by Jack Dawson to adopt article 17 as read. Voted by show of hands in the affirmative and article declared passed by the Moderator.

**Article 18.** To see if the Town will Vote to raise and appropriate the sum of Twelve Thousand Dollars (\$12,000.00) for interest charges, as approved by the Budget Committee and authorize the Selectmen to borrow money in anticipation of taxes for the current year and issue notes therefor, said notes to be repaid from taxes.

Motion made by Lincoln Page and seconded by Dan Lewis to adopt article 18 as read. Tim Brown recommended the semi-annual collection of taxes as a method of lowering the amount needed by borrowing. Vote by show of hands in the affirmative and article declared passed by the Moderator.

**Article 19.** To see if the Town will vote to authorize the Conservation Commission to retain the unexpended portion of its 1987 appropriation. Such funds to be placed in a Special Conservation Fund in accordance with RSA 36A-5.

Motion made by Ralph Kirshner and seconded by Milt Owen to adopt article 19 as read. Vote by show of hands in the affirmative and article declared passed by the Moderator.

**Article 20.** Shall we adopt the provisions of RSA 72:1-C which authorize any town or city to elect not to access, levy and collect resident tax?

Motion was made by Norman Vittum and seconded by Milton Owen to adopt article 20 as read. Vote by show of hands in the affirmative and article declared passed by the Moderator.

**Article 21.** To see if the Town will vote to raise and appropriate such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same, the sum of Six Hundred Forty-five Thousand One Hundred Seventy-seven Dollars (\$645,177.00) as recommended by the Budget Committee and such sums as may be required to cover the cost of any additional items voted at the meeting and in accordance with RSA 32:8.

Motion was made by Jack Dawson and seconded by Bill Rollins to adopt article 21 as read; with the additional items added making a total appropriation of \$705,677.00. Vote by show of hands in the affirmative and article declared passed by the Moderator.

**Article 22.** To transact any other business that may legally come before this meeting. Motion was made by Richard Lester to adjourn the meeting and seconded by many. Voted in the affirmative, and so declared by the Moderator. Meeting closed at 9 P.M. with approximately 130 persons in attendance.

## **Report of The Trustees of Trust Funds**

Four Trust Funds are administered by the Trustees. For specific amounts of income and expenditure, please see the Annual Financial Report.

Annual income earnings of the Sheperd Scholarship Fund are awarded to students in the Town who plan to further their education beyond high school. This year, six students benefitted and payments were sent to the Financial Aid Office of institutions of their choice, to be credited to either direct expense or tuition. Payments are made semiannually and the entire interest earned on the certificates of deposit is paid. The scholarships are available for those students in either the first or second year of post-high school education.

Cemetery Trust Funds interest income is used for general maintenance, grass cutting and trimming throughout the growing season. A new addition to the Town Cemetery, behind the Piper Homestead, has been surveyed and marked for over eight hundred plots.

The Tomb Fund, for the benefit of the Tuftonboro Library is a matching fund, with equal amounts of money appropriated by the Town, for the purchase of additional books, periodicals, etc. Payments to the Library Trustees are made quarterly.

The Charles W. Davis Fund was established several years ago on behalf of qualified Tuftonboro citizens over seventy. There were seven worthy recipients in December of 1987.

# 1987 Town Audit

## Audit Disclosures

### 1. TRUSTEES OF TRUST FUNDS

In 1987, as in 1986, payment was made from the general checking account of the Trust Funds to Granite State Business Services for accounting and preparation of the previous year's report. This clearly is in violation of RSA 31:38a which requires that such non bank-provided services be paid from a source other than the Trust Funds, e.g. the Town Account. Steps have been taken, during the current audit, to ensure that charges from the Business Service for preparing the 1987 Trust Funds Reports will be paid from Town Funds.

There is a question of "preservation of principal" raised by the conversion of an April, 1986 matured CD to a 5/1/86 \$20,000. investment for 978.474 shares of Fidelity OTC (Over the Counter) mutual fund. Note the following resume:

978.474 shares purchased 5/1/86	\$20,000.00
Net worth of original purchase as of 12/31/86	\$16,115.47
1,054.239 shares as of 12/31/86 @ \$16.47/sh.	\$17,363.32
1,204.954 shares as of 12/31/87 @ \$13.64/sh.	\$16,435.37
Estimating foregone income @ .085% for 18 month CD	\$2,550.00
Add net loss of principal as of 12/31/87	\$3,564.63
Est. net loss of principal vs high grade CD 12/31/87	\$6,114.63

Note: There has been a very slight improvement of share value so far in 1988.

Indications are lacking concerning any organized pattern for holding regular meetings with all Trustees in attendance to jointly discuss Trust business and to vote on same. It is **strongly recommended** that not only should regular joint meetings be held but also that **minutes** be kept of all decisions.

### 2. LIBRARY TRUSTEES

Some minor confusion in balancing accounts was resolved by setting up a method to ensure that year-end overlapping receipts and charges be posted only to the year in question. This had not been done in prior years. Otherwise the reports were in excellent condition.

### 3. TOWN OFFICERS' BONDING

No approvals of Town Officers' Bonds have been received from the Department of Revenue Administration. A call to Ms. Lorraine Racette, Assistant Director Department of Revenue Administration, Concord, developed the fact that no Tuftonboro Officers' Bonds have been approved since 1983. This problem is being pursued via correspondence in early February, 1988. Renewal of the present Bonds is due March 11, 1988.

**4. TAX COLLECTOR**

Procedures should be established to ensure that property tax accounts balance at regular intervals, preferably no longer than weekly, as follows:

DR.	CR
Taxes Committed to Collector the "Tax Amount" from Warrants Book + Overpayments	Remittances to Treasurer + Abatements + Uncollected Taxes

In addition to the Tax Collector's Cash Book, which contains a record of all tax payments in date sequence and distribution to the various accounts, there should be a file of payment receipts in alphabetic order so that these can be matched against the alphabetic Warrants Book. Otherwise it is both burdensome and extremely time-consuming to locate possible errors by attempting to match entries in the Cash Book against the differently-organized Warrants Book.

A running balance of Tax Sales Accounts also should be maintained.

The selectmen will consider ways to increase the frequency of bank deposits during the peak tax-collection season.

**5. TOWN CLERK**

The town Clerk remits deposits on a normally daily basis.

**6. GENERAL COMMENT**

Town staff should be commended for the generally excellent condition of all files, records and their total competence for handling the work.

**Auditors' Certificate**

We have examined the accounts of the various Town Officers as of December 31, 1987. Our examination was made in accordance with the auditing standards as prescribed by the New Hampshire Department of Revenue Administration, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the statement herein presents fairly the results of the operation of the Town Officers in the year 1987.

## **Tuftonboro Conservation Commission**

During 1987 the Conservation Commission received forty two (42) Dredge and Fill Applications of which thirty nine (39) were approved and three (3) were denied by the Wetlands Board in Concord, N.H.

There was one (1) administrative fine assessed for work performed without a permit.

The N.H. Wetlands Board has undergone many changes in administration and rules and, as a result, permit applications were very slow in being acted upon and permits were not issued as readily as they were in years past.

Our Commission has had new people added to it in an effort to keep pace with the summer busy season.

It is the Commissions function to assist applicants with the permit process and therefore it is important that applications be completed as thoroughly as possible before submitted to the N.H. Wetlands Board. We are available to assist any applicant with questions about the Dredge and Fill Applications and ideas and suggestions on the applicants design and use of their land.

Respectively,

FRANCIS W. LAASE, CHAIRMAN

## Highway Department

The heavy spring rains caused severe flood damage in the Canaan Valley, Northline and Dame Road areas. The culvert sizes were increased in some of these areas and culvert run off was cleaned out.

The long range road improvement plan followed with new drainage installed at the Tuftonboro Four Corners, rock removal and shoulder improvements on Ledge Hill Road which was then paved by Pike Industries.

The first section of Windleblo Road was rebuilt--stumps and rocks removed, new culverts and 18" of gravel added and the surface penetrated with MC800 asphalt.

The usual road grading and adding of crushed gravel were done, bushes were mowed, and three large truck loads (approximately 36 yards) of litter were removed from town road sides.

Respectfully submitted,

REGINALD C. COLBY, Road Agent

## Police Department

In 1987, traffic within the community seemed to be up compared to 1986. Speed was also up, with the highest clocked at 74 MPH on Rte. 109.

The number of DWI in 1987 was 12. In all the DWI cases, the operator lost his or her license from 90 days to one year. One operator lost their license for 3 years plus spent 14 days in jail. Fines were from \$350 to \$750.

Accidents were on the increase with 25 accidents investigated. Three of them were alcohol related. I thought the Town would get through the year without a fatal accident but this was not to be. The fatal accident occurred just above 19 Mile Bay.

Thefts in the Town were down compared to the surrounding communities.

Again, we all need to work together to keep our Town as safe as possible. If you see something, please do call. The numbers are 539-2284 or 1-800-552-8960 (from Melvin Village). Any information you can give may be of help.

Special Officer Mike Lampron left the Department in the fall. Donald Grow is our new Special Officer.

I wish to thank the New Hampshire State Police, Troop E, and the Carroll County Sheriff's Dept. for their assistance, and am looking forward to another good year.

Respectfully submitted

CHARLES "TERRY" BERRY, Chief

## **Park & Recreation Department**

Use of Tuftonboro's recreation facilities and activities programs continued recent years' upward trend during 1987. Town Government's support plus increased public participation contributed to encouraging the substantial growth.

The summer swimming program, under the direction of Mary Ann Murray, enrolled an all-time high total of 92 children, an almost 42% increase above 1986. The lessons, started on July 6th, included five different levels of proficiency and six classes. The program ran four days a week, Mondays through Thursdays, and concluded on Thursday July 30th for all but the Basic Rescue and Water Safety class which finished up on the following day. Twelve new kickboards were purchased by the Town and a new ladder was installed at the dock by Fred Williams. A suggested addition to the 1988 program will be an Advanced Swimmer Group for youngsters not old enough to participate in Advanced Lifesaving but who have completed the Basic Rescue and Water Safety Course. Installation of the swimming area Marker Buoys was done by Donald Meek.

Bruce Johnson and his crew made improvements to and supervised activities at Davis Field. Several loads of loam were purchased during the Spring for use in upgrading the ball field's surface. permanent base anchors were installed, the infield was reshaped and a weed control application was made. In the Fall, the Town purchased several more loads of loam to be spread next Spring over the low and bare spots. During the baseball season, the field was used three to four times per week and later, during the soccer season, a similar volume of usage took place. In cooperation with the Wolfeboro Recreation department, paint was purchased to line the field for the youth soccer program.

John Donovan, assisted by the Laase Family, put out the Marker Buoys in Nineteen Mile Bay to keep boats at a safe distance. Tables were placed in the picnic area, two portable toilets were installed and trash collection was arranged by the Selectmen.

The ice rink was flooded and kept clear of snow by Blair Rudolph, Louis Dearborn, Dwight Pennell, Roger Kent and others. A hockey goal was installed and considerable use of the rink and hockey goal was made by the Town's children.

Sincere thanks are due to both our citizens and elected officers for their generous assistance and interest in promoting our Recreational Facilities.

## **Tuftonboro Free Library Trustees Report For 1987**

Again in 1987, we are very pleased to report substantial increases in library circulation and patronage. Circulation in all categories of the collection is up by more than 20% over 1986, and by nearly 30% since 1985. Total patronage this year was 3,792, up nearly 25% in the past two years. The number of reference questions asked (and answered!) has risen 31% in two years; inter-library loan transactions shot up by 112% in 1987 alone.

Our current library building was constructed in 1970, and carefully planned to meet the needs of this community for 20 years. With 1990 rapidly approaching, and our space crunch rapidly increasing, the trustees this year appointed a Building Committee, charged with exploring possibilities for future expansion, and making recommendations to the Board.

This process began last summer with a very thorough community-wide telephone survey. In three weeks, 43 volunteers made 535 calls. They talked with both permanent and part-time residents; with library regulars and with those who use the library only rarely, if at all. They even convinced a few who didn't know we had a library to stop by and sign up!

The survey results enabled us to identify definite space and service needs, and to set priorities for meeting those needs in terms of demonstrated community demand. Planning continued throughout the fall, with site visits to the Meredith and New Durham libraries, both currently involved in building projects.

Thanks for a solid beginning to Building Committee members Herb Bing, Maureen Borowski, Jane Newcomb, and Mary and Jack Williams, to each of the intrepid phone volunteers, and to all who took time from busy summer schedules to answer our questions.

There are many others to thank for their contributions to the library in 1987. Thanks to Marsha B. Hunter, who served as Treasurer for nearly three years, and who completely reorganized library bookkeeping procedures. Thanks to the Friends of the Library, who provided a new vacuum cleaner, a video tape rewinder, a projection screen, and a sesquicentennial float!

Thanks also to the Hikers, who once again augmented the book budget. And thanks to the Hurlburt Charitable Trust Fund, and the Suzanne G. and George E. Slye Trust Fund. Their very generous donations enabled us to install new telephones, increase the audiocassette collection, and begin to build a videotape collection.

Finally, we recognize Arline Knapp, Peggy Bashe, and especially John E. Perkins, for their dedication and hard work. Thanks to all of them, all of us in Tuftonboro can continue to take great pride in our library.

Respectively submitted,

The library continued to be a source of information and pleasure for a great many residents and visitors in town in 1987. Many more residents took advantage of the inter-library loan program in 1987, increasing loan circulation over 100%.

The library now holds 9,500 volumes, and will reach the goal of 10,000 volumes held in 1988. The audiocassette collection has been expanded and now includes over 100 titles. With gift funds, the library initiated a video collection, with plans to expand the 20-title collection gradually.

The regular pre-school story hour and the book discussion group sponsored by the Friends of the Library continued to be popular attractions in 1987. Additional programs for adults and families this year, including the well-attended Colburn and Stuart concert in August, were funded by grants from the New Hampshire Humanities Council and the NH State Council on the Arts.

I would like to thank here those in the community who have contributed books to the library; these books are extremely helpful in building the library collections and in keeping the cost of books down. And for their generous gifts to the library, I would like to thank the Friends of the Library, the Hikers, the trustees of the Hurlburt Charitable Trust, and George and Suzanne Slye.

I would like to express my appreciation for the generous and skillful volunteer work of Peggy Bashe, and to acknowledge the support and hard work of an extremely understanding and devoted board of trustees.

I look forward to making many new friends in Tuftonboro in 1988.

# Tuftonboro Volunteer Fire Department

During the 1987 calendar year, the Tuftonboro Fire Department responded to 72 fire-related incidents and 87 medical emergencies for a total of 147 calls for assistance.

The categories of various calls are as follows:

Auto Accidents .....	12	Investigations .....	8
Boat Fires .....	1	Medical Emergencies .....	87
Brush Fires .....	5	Mutual Aid .....	15
Car Fires .....	1	Service Calls .....	8
Chemical Spills .....	1	Stove Problems .....	6
Electrical Fires .....	2	Structure Fires .....	2
Fire Alarm Activations .....	4	Wires Down .....	7

The Department saw an increase of 24 calls for 1986.

Department apparatus is housed at the following locations in our community:

Engine 1 at Winner Circle Farm on Ledge Hill Road

Engine 2 at the Mirror Lake Station on Tuftonboro Neck Road

Engine 3 at the Mirror Lake Station on Tuftonboro Neck Road

Engine 4 at the Melvin Station in Melvin Village

Tanker 1 at the Melvin Station in Melvin Village

Forestry 1 at the Melvin Station in Melvin Village

Fire Boat 1 at Pier 19 at Nineteen Mile Bay during the summer months.

Approximately 25 members provide manpower in the Department and any interested residents are urged to attend the Department meetings held the first and third Thursday evenings at 7:00 PM.

Officers of the Department are:

Chief ..... John Scott

Deputy Chief ..... Clint Morgan

Captain ..... Terry Wood

Captain ..... Dick Newcomb

Lieutenant ..... Daniel Buttrick

Lieutenant . Kenneth Greenwood

During 1987 the new fire engine was received and placed in service at the Mirror Lake station as Engine 3. Engine 1 which was housed at the Melvin Village station was re-located to the Winner Circle complex in the Tuftonboro Corner area. The used Engine purchased in the spring of 1987 was placed in-service at the Melvin station as Engine 4. The apparatus acquired in 1987 has greatly increased the fire-fighting potential of the Department and have proven to be a great asset.

In the past year, 14 firefighters have been certified in the use of self-contained breathing apparatus. Additionally, 10 members have completed a 70-hour First Responder training program for certification in emergency medical care. The members will allow for greater coverage through the Town for our First Responder Team.

The members of the Department's First Responder Team continue to be very active in providing emergency medical stabilization throughout the community and work closely with the Lakeside Ambulance Service of Wolfeboro and the Wolfeboro Rescue Squad. The members of the Team, living in various areas of the Town, can provide emergency medical stabilization to patients prior to the arrival of other emergency medical agencies.

With membership in the Ossipee Valley Mutual Aid Association as of June 1, 1987 dispatching services are being handled through the Carroll County Sheriff's Department Dispatch Center. This area-wide central dispatch agency handles the emergency radio and telephone communications for Tuftonboro's Fire, Police, and Emergency Medical services.

On behalf of the Department's membership, I would like to express my appreciation to the Tuftonboro Police Department, Lakeside Ambulance Service, Wolfeboro Rescue Squad, and area public safety agencies for their assistance and cooperation during the past year.

We are proud to be able to offer fire protection and emergency medical assistance to our community and guests.

Respectfully submitted,  
JOHN H. SCOTT  
Chief of Department

## Report of Town Forest Fire Warden and State Forest Ranger

Between July 1986 and June 1987, we experienced fewer fires than normal. The three leading causes of forest fires were again children, fires kindled without written permission of a Forest Fire Warden and debris burning. All causes are preventable, but only with **your** help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest tax law may be violated, call your Forest Fire Warden, or Concord Forest Protection Headquarters at (603) 271-2217.

If you own forest land, you became responsible for the timber tax payment starting April 1, 1986. This is a change in the Timber Tax Law that will impact all forest landowners. Contact your Board of Selectmen for timber tax forms.

## **Report of The Building Permit Officer and Code Enforcement Officer**

January to August - 107 Permits were issued with a value of \$3,175,370.00.

September to December - 58 Permits were issued with a value of \$4,082,274.00.

The Code Enforcement Officer is available to issue Building Permits at the Town House Monday mornings from 9 to 12; and at his home on Route 171 Wednesday evenings from 7-9.

Building Permits are required for all new construction and for renovations. Electrical and Plumbing permits are also required for any work, at no charge under \$1,500.

Code Enforcement in Tuftonboro is new to the Town this year. The BOCA rules can be interpreted in many ways. If a towns person or their contractor has a problem in this area, please feel free to call, or come in.

## **Visiting Nurse Association of Wolfeboro and Vicinity, Inc.**

In 1987 the staff of the Visiting Nurse Association of Wolfeboro and Vicinity, Inc. made a total of 1088 home visits to 54 Tuftonboro residents. This is a 40% increase in services over 1986. 56 residents attended our Influenza Immunization Clinic; 22 pre-school children are enrolled in our Child Health Program; and 11 school age children received needed immunizations.

All Home Health Services are provided under the direct orders of each client's physician. We provide nursing, physical therapy and home health aide services. Since June 1st home health aide services have been provided by our employees rather than through contracted services. We now provide services seven days a week; the on-call nurse may be reached during the weekend by calling Huggins Hospital and requesting the operator to page the Visiting Nurse on call.

In June an Affiliative Agreement between this Agency and Huggins Hospital was signed. The terms of this agreement provided for increased co-operation in providing services to meet the health needs of the communities we serve.

We continue to bill insurances for the costs of our services whenever possible. A sliding fee scale is utilized to determine the charges to individual clients when insurance is not available. Services are never denied because of a clients inability to pay for services provided.

Ms. Marilyn Barba, Mrs. Mary Foote, Ms. Diane Hill and Dr. Donald Meyer represent the Town of Tuftonboro on our Board of Directors.

We are grateful for the support Tuftonboro residents have given to our Appropriation Request and to our Annual Fund Drive. The Board of Directors, the Staff and I thank you all.

# **Report of The Tuftonboro Central School**

For the second straight year we are experiencing another significant increase in student enrollment at Tuftonboro Central. First day enrollment on September 8, 1987 indicated 184 students registered for classes. This was an increase of twenty-four students over the enrollment figure for 1986. Because of the heavy enrollment in Kindergarten, first and second grades and the formation of a Transition class, the School Board approved the hiring of three aides to help meet the individual student needs and to make the primary classes more manageable in order for the children to receive a good education.

I am pleased, again, to report that Tuftonboro Central School's Fourth Grade Total Battery Median Scores on the California Achievement Tests were higher in all tests scored at the district, state and national levels. These excellent results continue to speak highly of our teachers, programs, our children's performance and your support to our school.

The school is the recipient of the Blue Ribbon Achievement Award in the State of New Hampshire for the fifth consecutive year. A total of 4,635 volunteer hours were recorded in 1987 by more than eighty, active volunteer parents, friends and senior citizens of Tuftonboro. We would not be the recipient of this prestigious award without the loyal support, dedication to our programs and projects, and the sharing of ideas from our many volunteers.

In September we implemented the new Holt, Rinehart and Winston Elementary Science Program in all grades. The teachers and children are enjoying the many new and exciting experiments and activities in this program. In November, the Montshire Science Museum brought to Tuftonboro School their "Science Circus" program. The children enjoyed participating in a number of interesting physical, biological and electrical experiments. These programs should help students create new projects for our annual Science Fairs.

In April, 1986, the Fourth Grade class spent a wonderful and exciting week at Nature's Classroom, an environmental camp, in West Swanzey, New Hampshire. The new Fourth Grade class organized and conducted another successful Fall festival in October, earning \$2,403.03 to be applied toward the cost to attend the new Nature's Classroom camp located in Southbridge, Massachusetts in April.

Mrs. Loretta Burnham retired in June, after faithfully serving as our second grade teacher for twenty years. Her dedication and service to your children, our community and district will be long remembered.

Special recognition should be given to the two students in Mrs. Russ' Sixth Grade that entered their Science projects in the 1987 Governor's Energy Contest and won. Carey Truebe was awarded First Place and Craig Borowski was awarded Third Place in their class.

I am pleased to announce that Katja Liedtke was awarded a certificate for Excellence in Academic Achievement by the New Hampshire Social Studies Council last Spring.

Congratulations are also extended to the following students that were awarded the Presidential Academic Fitness Award for outstanding academic achievement and excellence: Craig Borowski, Stacy Hunter, Melissa Libby, Amy

Stockman and Carey Truebe. Joy Ramsbotham and Doug Ames were the only students to receive the Presidential Physical Fitness Award for 1987.

A special thanks is extended to the Co-presidents and chairpersons of the P.T.C.O. for their donations of the choral risers, monetary donations to purchase books for the Library, undertaking the project of relighting and wiring the school stage, and for sponsoring our popular Old Fashion Christmas Bazaar in November.

I wish to thank, again, the many outstanding volunteers and the fine citizens of Tuftonboro for your support in helping to make our community school Number One!

Respectfully submitted  
REGINALD C. AMAZEEN, Principal
